5. XX ASN Report	<p>A printed copy of the ASN must be included with the shipment. You can print your ASN by clicking on the XX ASN Report box.</p> 																																																																																																																																																										

STEPS	DESCRIPTION
6. Refresh	<p>Right now the Output area is blank. You will need to click the Refresh to bring in the ASN notice to view and print.</p>  <p><i>*This may take up to 15 minutes to populate. If it take longer than 15 minutes you may want to reach out to your buyer/planner.</i></p>
7. Output	<p>You may now click the Output button to bring up the ASN</p> 
8. ASN	<p>This is what the ASN will look like. This should always be reviewed to make sure there are no errors. If there are any errors the ASN needs to be cancelled and re-entered. There is no way to corrected it in in the system and it cannot be corrected by hand as it must be correct in the system.</p> 
9. Print	<p>This should be printed and attached to the bill of lading.</p>
