1. Terms and Definitions

TERM	DEFINITION
Preparer	The person creating the requisition.
Requestor	The person requesting procurement of a good or service. The Requestor and the Preparer can be the same person, but don't have to be.
Procurement Administrator	The buyer. This person turns the Requisition into a Purchase Order. This person works directly with Suppliers to maintain pricing standards.

2. Actions

STEPS	DESCRIPTION
1. Open Control Panel and Select Default Programs.	 <p>The screenshot shows the Windows Control Panel window. The 'Control Panel' breadcrumb is highlighted with a red circle. A red arrow points from this breadcrumb to the 'Default Programs' icon in the main content area, which is also circled in red. The window title is 'Control Panel - All Control Panel Items' and the search bar contains 'Search Control Panel'. The main heading is 'Adjust your computer's settings'.</p>
