

Important COVID 19 Update – Essential Provider

April 13, 2020

Dear Trane Technologies Supplier,

You are receiving this letter as a supplier of Trane Technologies or one of its global businesses. As the world works to contain the spread of the coronavirus COVID-19, our team at Trane Technologies is adapting to this rapidly evolving situation, implementing safety measures, and taking care of each other, our partners and our customers. First, we want to thank you for all your efforts to keep your teams safe while keeping our businesses up and running.

Our Trane products and services heat, cool and ventilate essential spaces like hospitals, pharmacies, nursing homes, supermarkets, homes, and emergency services. Our Thermo King transport refrigeration products safeguard perishable foods and medicines during transport. These functions are essential for the health and safety of our local and global communities, especially in this time of pandemic emergency. Trane Technologies has manufacturing, sales and service facilities in multiple locations within the United States, Mexico and worldwide.

<https://www.tranetechnologies.com/en/index/news/2020/providing-critical-services-during-COVID-19-pandemic.html>

As you may have heard, our industry has been largely included in a classification of **essential** service providers as noted below and further detailed within the included emergency travel letter

- under the guidance issued by the U.S. Department of Homeland Security Cybersecurity and Infrastructure Security Agency (CISA) on March 19, 2020, related to critical manufacturing sectors during the COVID-19 pandemic response
- under the decree by the Mexican government on March 31, 2020, related to essential activities permitted to continue operation

As you continue to maintain our supply chain while protecting all workers, please use this letter in support of those efforts with local, state, or federal officials. Please share this letter as needed with your own suppliers involved in your support of Trane Technologies and the other essential industries.

If you have questions, contact your category manager for support. Please stay safe and thank you again for all you do.

Thank you for your help.

Keith Sultana
Trane Technologies
Senior Vice President, Supply Chain and Operational Services

A handwritten signature in black ink that reads "Keith".

About Trane Technologies

Trane Technologies (NYSE: TT) is a global climate innovator. Through our strategic brands Trane and Thermo King, and our portfolio of environmentally responsible products and services, we bring efficient and sustainable climate solutions to buildings, homes and transportation.
