Transform Tomorrow, Today
ESG At-a-Glance 2021

We're dedicated to transforming tomorrow, today through bold ambition and decisive action. Our people help us push boundaries and break down barriers as we strive toward bold goals we know are achievable. Our 2030 Sustainability Commitments are the bedrock of our strategy and support our customers in their own decarbonization efforts.

Through our strategic brands, Trane® and Thermo King® and our portfolio of innovative, environmentally friendly services and products, we bring efficient and sustainable climate solutions to buildings, homes and transportation.

“As a climate innovator, we have a bold vision and ambitious goals for a better future.”
– Dave Regnery, Chair and CEO

2030 Sustainability Commitments

We’ve set the pace for positive change in our industry. Change that can have a transformative impact on our planet, and for future generations. Our purpose is clear: we boldly challenge what's possible for a sustainable world.

Gigaton Challenge

- Reduce customer carbon footprint by one gigaton¹²
- Design systems for circularity
- Increase access to heating, cooling and fresh food

Leading by Example

- Achieve carbon neutral operations
- Reach zero waste disposed of in landfills
- Achieve net positive water use in water-stressed locations
- Reduce absolute energy consumption by 10%²

Opportunity for All

- Achieve workforce diversity reflective of our communities
- Achieve gender parity in senior leadership roles
- Maintain world-class safety metrics
- Provide market-competitive wages, benefits, and leading wellness offerings
- Invest $100 million in building sustainable futures for under-represented students
- Dedicate 500,000 employee volunteer hours in our communities

1 B metric tons of CO₂e  ²Compared to 2019 baseline
2021 was a strong year for Trane Technologies as we advanced our strategy to lead sustainably. We are uniquely positioned to pioneer a movement to tackle climate change and help the world decarbonize. And that’s just what we’re doing. As we scale today’s technology and innovate for tomorrow, our diverse, inclusive and uplifting culture will ensure we accelerate progress for our customers and communities.

- **Rigorous enterprise risk management process with Board oversight**

- **0 suppliers identified as having significant negative environmental impacts**

- **100% direct material spend assessed for risk quarterly**

---

**Uplifting our people and communities.**

Throughout 2021 we continued to prioritize the health and well-being of our people through a portfolio of benefits and programs that support physical, social, emotional and financial well-being. Our goal is for our people to thrive at work, at home, and in their communities. These are a few highlights.

- Launched Operation Possible, an employee-powered innovation program that harnesses the diverse experiences and spirit of optimism of our people to develop sustainable solutions that will impact the world

- Implemented a global wellness platform, providing online access to our people and their families for programs such as mindfulness, nutrition and fitness

- Accelerated our “Future of Work” initiative that includes flexible scenarios for working depending on individuals’ roles, work styles and needs

- Encouraged all global employees to complete COVID-19 vaccinations, offering up to four hours of paid time off per inoculation
